

# CFT-7 Series

## 180MM /7" 2300W POWERFUL DUST-FREE CONCRETE GRINDER

CFT-7 is a professional dust-free concrete grinder. It gives you the flexibility to achieve a variety of applications, including epoxy removal and grinding. With 2300W powerful motor, CFT-7 is designed for heavy duty work. It owns ergonomically shaped switch trigger, soft start function, D-type handle, etc., which ensures user friendly. User safety is increased with the enclosed wheel guard and lock-off switch, which prevents unintentional start up.
